**Electrical:** The inspector will require access to the electric meter, electrical panel and to the inside of the house/building. There must be an adult present (18+) at the time of the inspection, if an adult is not present at the time of inspection it will not be completed and will need to be rescheduled.

**Gas:** Gas test is required to release service to the Gas Company, the test requires 3 psi on a diaphragm gage. Depending on the reason for the test the inspector may require access to the interior of the house/building in that instance an adult (18+) must be present at the time of inspection.
