

The only utility that the City of Hutchins provides directly is water. As a convenience, information on trash is also provided on this site.

For additional assistance, please contact Utility Billing at (972) 225-6121 or [utilitybilling \[at\] cityofhutchins.org](mailto:utilitybilling@cityofhutchins.org) (via email).

The Hutchins Public Works Department provides our citizens with the highest level of water supply, quality and customer service. The city meets and exceeds state and federal regulations to ensure our water supply is safe to service all.
