Dear Chief Perry,

The data audit for the Hutchins Police Department has been completed. A review of the Departmental log showing the traffic contact data recorded while comparing this information to the citations issued during the same period, leads us to conclude that the Department's records are accurate.

Please continue to monitor your data collection mechanisms in order to assure accuracy with regards to the racial profiling data. If you have any questions, please don't hesitate to call me so that I can elaborate on the points made in this audit. Again, thank you for the opportunity to be of service!

Sincerely,

Alex del Carmen, Ph.D.
