Skyline Road Closures

Starting in February, Skyline Drive will be closed between Oak Creek Drive and Bluff View Drive. This section of Skyline will be undergoing water line, paving, and utility improvements in preparation for new residential development by Lennar Homes. Following this work, construction will begin on 60 single-family residential dwellings along the north and south side of Skyline.

During the closure, all traffic will be diverted to Oak Creek, through Glenhaven and then on to Bluff View. We greatly appreciate your patience as we go through these growing pains.

If you have any questions or concerns, please contact Public Works Director Charles Brewer at 972-225-6121.
